

This flyer is for a benefit being held at the Fine Line Music Café on November 20th, 2008, for the family of Dan Winter. Dan passed away unexpectedly from arteriosclerotic heart disease at the age of 48. He leaves behind his wife, Laura and nine-year old daughter, Andrea. We're holding this benefit to help support his family and set up a savings plan for Andrea's education.

Dan worked in the music industry for many years doing sound for the Phones, along with many other local bands. He was involved in the film and commercial production industry for twenty-some years, most recently working on the post-production side for CRASH+SUES as our engineer.
